

Psalm 118:8

What do you know about Psalm 118:8? Is it the center verse in the center book in the center of the Bible.

Sure. Or Not? Well - likely not exactly. It is a very powerful verse in its own right.

Did you know?

PSALM 118 is the middle chapter of the entire Bible.

PSALM 118 is preceded by Psalm 117, the shortest chapter in the Bible.

PSALM 118 is followed by Psalm 119, the longest chapter in the Bible.

PSALM 118 is preceded by 594 chapters and followed by 594 chapters.

If you add the 595 preceding and 594 following chapters, the sum is a total of 1188 chapters. Psalm 118:8 (that's 1188) is the middle verse of the entire Bible.

And what is this central verse of the Bible?

"It is better to take refuge in the Lord than to trust in man"

- Psalm 118:8
